

Credit Union for Kids Golf Tournament Sponsorship Form

Friends of Trius Federal Credit Union, we are hosting our annual golf tournament at Elk's Country Golf Course on Sunday, September 27, 2026. The proceeds of the tournament will benefit Children's Hospital & Medical Center in Omaha, NE. Many local families receive care each year from the hospital. Credit Unions are the third largest sponsor for Children's Miracle Network Hospitals.

We have had great success in previous years thanks to all our sponsors. We are now seeking sponsors and donations for this year's event. Flag prize donations, monetary donations, and hole sponsorships are all ways you can help. If you are interested in being a sponsor please complete the form below and return it to Trius FCU Marketing. If you are interested in donating a flag prize, we would be happy to pick up your donation.

For any questions regarding sponsorships please contact Chelsea at 308-237-6375. We appreciate your support of Trius and Children's Miracle Network.

Thank you for your consideration,

Trius Federal Credit Union
