SAVE SMALL DREAM BIG

at your credit union™

Dreaming big doesn't mean you need to start with big actions. The first small step is usually the hardest, but once it's taken, you can use momentum to propel you forward. April is National Credit Union Youth Month and this year's theme is "Save Small Dream Big at your credit union." It uses the image of a magical rainbow with a wish-fulfilling gold star at the end. We want to tell young members that their dreams are attainable, no matter how big they are.

Trius FCU has tools to help fulfill these dreams. With a youth saving account that earns compound interest, young members can deposit small amounts on a regular basis and watch their savings grow "like magic." The earlier they start a savings account, the more it will grow, and the easier it will be to achieve their dreams. Learning this good financial habit at a young age will set them up on the path of successful financial well-being.

If you have been wondering how to empower your kids to save for their future, National Credit Union Youth Month is a great opportunity to start! Join us this April as credit unions across the country encourage youth to start saving regularly. This celebration is a great time to engage kids at Trius and within your community to help them learn that saving, no matter how small the amount, can help them achieve their dreams.

We're here to help you encourage the kids by providing them a rewards program for saving. Our Kids Club account is a great place to start, and our Rewards will keep them motivated. Jr Varsity Club Rewards is great for children aged 0-6, and Varsity Club Rewards is perfect for kids aged 7 to 17. Ask us for complete details.

We see you. We hear you.
We offer HOPE.

Hope for today, Hope for tomorrow, Hope for all.

Hope is defined as a desire accompanied by an expectation of fulfillment or success. At Trius, we offer HOPE in many ways. Hope is a journey, and we will meet our members where they are on their hope journey. What do you hope for? Maybe it is restructuring your debt to save on interest and monthly payments, to free up room in your budget. Maybe it's to fulfill a dream of owning a home, vehicle, camper, or boat. Maybe it's having a checking account with a debit card, or kids club savings account for your children.

We see you, we hear you, and we offer hope to you. We will listen and provide solutions and opportunities. HOPE for today, HOPE for tomorrow, HOPE for all.
