On October 20, 2022, Trius will join over 56,000 credit unions around the world to celebrate International Credit Union (ICU) Day®. The theme of ICU Day 2022 is "Empower Your Financial Future with a Credit Union."

ICU Day highlights the many ways that credit unions across the world help members improve their financial health and well-being. We will have refreshments in our lobbies along with our 2023 calendars available all day.

Credit unions were built on the principle of "people helping people." We've seen that philosophy in action for more than 50 years, with credit unions providing access to affordable financial products and striving to meet the needs of underserved communities.

Trius is honored to be a part of this proud tradition and we invite both members and nonmembers to visit our Kearney and Lexington branches to celebrate this day.

International Credit Union Day® is brought to you by Credit Union National Association and World Council of Credit Unions. This year's event is proudly sponsored by Zogo.
