National Credit Union Youth Month

#CUYouthMonth

**the Power of Saving
at Your Credit Union™**

April is National Credit Union Youth Month and this year's theme is "Unleash the Power of Saving". Trius FCU has tools to help our young members unleash their power to save! With a youth savings account that earns compound interest, young members can deposit small amounts consistently and watch their savings grow! The earlier they start saving, the more their savings will grow. Learning good financial habits at a young age will set them up on a path of financial well-being at a young age!

If you have been wondering how to empower your kids to save for their future, National Credit Union Youth Month is a great opportunity to start. We offer a rewards punch program for our youth accounts, and during the month of April earn double punches on those rewards cards and redeem for prizes and/or gift cards.* We will have a variety of other events going on during youth month so follow along on our social media to see what we're up to!

This month is a great time to engage kids and help them understand that no matter the amount, we can help them unleash the power of saving! If you aren't sure where to start, stop in and speak with us about the youth accounts we offer or visit www.triusfcu.com

Insured and Reassured

I think we are all ready for warmer weather in Nebraska! Baseball games, pool time, bike rides, walks outside, and so many other fun activities to do. However, spring and summer can also bring storms. It is a great idea to visit your insurance agent to complete an annual review of your homeowner insurance policy! Most of the time this expense is included in your mortgage payment, and it can become an out of sight out of mind expense. Every year, your premium will automatically adjust to cover a slightly increased amount for your home due to the value gradually increasing over time. However, you want to make sure that you understand your coverage and your deductible should hail or damage occur to your home. For any other mortgage related questions, contact us at homeloans@triusfcu.com or 308-234-9311.
