## 2023 Recap and a look at what's to come!

2023 was a wonderful year for Trius! We reached an asset size of over 127 million. We had good income and were able to offer great certificate rates to our members. In addition, we started two of our three building projects. Grand Island is set to be done the first part of March. Lexington has finished the demolition of the building and will start building in the spring. We hope to be moved in by the fourth quarter of 2024. The Kearney branch project will begin this Spring. We look forward to 2024 and attribute our success in 2023 to our members. We want to thank all of you for being a member of Trius Federal Credit Union. Have a great and prosperous 2024!
