Construction Updates– From Dee’s Desk

I am happy to share phase 1 in Kearney is completed and we are moving quickly through phase 2. I am sure some of you have seen the new color of the exterior and soon we will see the new entrance take shape. Anyone that has been in the building has had a sneak peak of what our remodel looks like and phase 2 should be completed by the end of August. Following the completion, our Mortgage Department will be moving upstairs and our board room will move back to main. We are very excited to show everyone the new lobby when it is completed. Drive-thru also saw an update with ITM machines. To speak with a teller, simply press the “Talk to Teller” button and one of our tellers will come on the screen to assist you. During this transition, our team has been out in drive-thru educating and assisting members when using this new technology.

The Lexington branch is moving right along as well. We are hoping to be into the building before Thanksgiving. This new building will allow us to serve our membership better. We will also have 2 ITM lanes and a night drop box on the front of the building. We are very excited for this new building in Lexington to be completed and our employees to be under one roof.

Our team attended the Nebraska Credit Union League Annual Meeting this week. We were honored for our fundraising efforts for Children's Miracle Network Hospitals. This year's Children's Nebraska's Champion is a Kearney native, so it was extra special to hear her story and reiterates the importance of our local fundraising efforts! Our team is pictured here with Lexi Goodsell and her parents. You can see her artwork and read more about her below. Thank you to our members and staff who continue to donate to this great cause!
