### **Board Election Notice**

The nominating committee has proposed the following slate of candidates for three (3) open positions on the Trius Federal Credit Union Board of Directors for 2025. If a member wishes to challenge the slate, they must petition the nominating committee with an application and 75 member signatures by May 1, 2025.

**Candidate:** Phil Robles, *Trius Member for 46 years*

"I've served on the board for 15 years including 11 years as the chair. I enjoy helping grow the credit union and working with the other board members and staff navigate future challenges."

**Candidate:** Janel Walton, *Trius Member for 12 years*

"I first learned about credit unions while working at Morris Press, where I had the opportunity to join Eaton Federal Credit Union. Through that experience, I gained an understanding of their mission and values, as well as how they help people achieve financial goals by offering better savings and lending rates. I quickly became an advocate for credit unions and frequently share their benefits with others. Volunteering with Trius Federal Credit Union aligns with my commitment to helping people improve their financial future."

**Candidate:** Angie Classen, *Trius Member for 11 years*

"I have experience in Finance and Marketing and believe this expertise will assist the credit union to grow and expand."

INTRODUCING IDCHECK

**Shared Branch  
is now easier and  
more secure!**

### **New In-Branch Experience: Learn More About IDCheck**

With account takeover fraud on the rise, Trius is adding a new ID-proofing security when accessing your account in person at our location and/or our Shared Branch locations. This new fraud prevention measure allows us to make certain it's YOU trying to access your account, not an imposter.

If you bank at one of our Shared Branch locations, a teller can now identify and authenticate members with out-of-state IDs in the branch through a QR code and one-time passcode multi-factor authentication verification. This additional layer of authentication will be used for to keep members safe when transacting on their account.

#### **How it Works:**

1. Scan the QR code located in the branch or visit [verify.coop.org](https://verify.coop.org).
2. Select your credit union's name from a drop-down list.
3. Enter your member number and the last four digits of your social security number.
4. Upload a photo of your ID.
5. Take a selfie. *(Tip: Save your validation for an even quicker experience next time!)*
6. Show your one-time passcode to the teller (passcode is valid for 20 minutes).
