2026 Government Affairs Conference Update

Our team was in Washington, D.C. last month attending the Governmental Affairs Conference (GAC)! This event brings together credit union leaders from across the country to meet with lawmakers and advocate for the credit union movement. We go to share the stories of our members, highlight the impact credit unions have in our communities, and ensure the credit union voice is heard. Advocacy is an important part of protecting the financial choices and benefits our members rely on every day. We're honored to represent our members and stand alongside other credit unions working to keep people—not profits—at the center of financial services.

Debt Protection Notice

Trius Federal Credit Union is excited to share that, effective July 1, 2026, Central States Health & Life Co. of Omaha (CSO) will serve as the new administrator for our Debt Cancellation Program and Program Contract. This transition allows us to continue enhancing the value and service we provide—while giving you peace of mind that the protection you selected for your loan(s) remains exactly the same.
